It is anticipated that the *Notice of Intent* will appear in the June 2014 edition of *Louisiana Register* (See exhibit 3 attached). **Midwifery:** Given changes to the Louisiana Midwifery Practice Act during the 2012 session of the Legislature, staff anticipates presenting revisions to its existing rules in due course for the Board's consideration and discussion. **Physicians and Surgeons – Unprofessional Conduct:** During its April 2013 meeting, the Board expressed a desire to consider

the development of rules correlating a physician representing himself or herself as a specialist in a particular field of practice with appropriate formal training in that field. Pursuant to the Board's direction, a draft of such rules is being prepared for initial review and consideration. The draft also includes a prohibition against a physician prescribing of controlled substances to one's self or immediate family members in the absence of an emergency. A draft was submitted for the Board's review at its August and September 2013 meetings. At its October 2013 meeting, the Board determined to defer that part of the proposed rule dealing with self-prescribing and to provide *Notice of Intent* to adopt the amendments on unprofessional conduct in the *Louisiana Register*. Prior to publication, additional information is being sought.

Physicians and Surgeons – Collaborating Physicians: The Board expressed a desire to consider the development of rules relative to physicians who collaborate with advanced practice registered nurses. A draft was prepared by staff for initial review and consideration at its October 2013 meeting. A revised draft incorporating comments and suggestions was considered by the Board at its December 2013 meeting. Following review and consideration, the Board elected to preview the draft to several professional organizations (LSMS, LMA, and LAFP) and the Louisiana State Board of Nursing. Revised drafts (annotated/clean) incorporating certain suggestions were reviewed by the Board at its March 2014 meeting at which time the Board voted to approve the draft pending receipt of additional suggestions. (See Exhibits 1 and 2 attached).
